

THE WHOLE LEAF.

Whole leaf tea is our passion. Our teas showcase larger, bolder leaves—never cut, torn, or crushed, plainly visible in our loose leaf teas and hand-stitched tea pouches.

THE WHOLE FLAVOR.

Whole leaf tea provides a complex, nuanced taste. Whole leaves retain their tannins and oils allowing for full flavor extraction and an amazing cup of tea.

THE WHOLE EXPERIENCE.

Only whole tea leaves deliver the best flavor and aroma essential for the ultimate multi-sensory experience. Our loose leaf blends and tea pouches will delight the senses and elevate your customers' tea experience.
